

WISEMANS BRIDGE

Wisemans Bridge Rowing Club Safety Briefing Guidelines

The following safety equipment should be carried on all outings:

- a) Hand held flares**
- b) A marine band VHF radio fully charged! or mobile phone in a waterproof case**
- c) Foil survival blankets**
- d) First aid kit**
- e) Knife**
- f) Horn**
- g) Throw line**
- h) A baler in addition to a functioning pump**
- i) Torch (night rowing)**
- j) Life Jackets**

An equipment check should be carried out before each outing!

Please Note:

Afterwards each grab bag should be emptied and contents placed back in the appropriate place for the next time, bags should also be placed in a location to dry
